

Director of Light & Power

The City of Highland located in southwestern Illinois, nearly 35 miles east of St. Louis, MO., (population 9600) seeks qualified candidates for the position of **Director of Light & Power**. The City's Electric Utility consists of 1500 commercial and industrial accounts as well as 4500 residential accounts covering a 63 square mile services territory. Peak system load is approaching 40MW and growing daily. Successful candidates will be responsible for the day-to-day operations including maintenance, planning, generation and future broadband systems. The department has an approximate annual budget of \$15 million and reports directly to the City Manager.

Bachelor's degree in Engineering or related field required as well as a minimum of 5 years management experience, managing a similar size municipal utility. Candidates must have knowledge of generation, substation systems and of regulation/guidelines governing electrical operations. Candidates must also possess strong supervisory, customer service, employee relations, computer and organizational skills. Residency within the City of Highland corporate limits within 6 months of hire is also required.

Salary is competitive and dependent upon experience and qualifications. Compensation includes excellent benefit package. Qualified candidates should submit cover letter, resume, salary history/requirements by December 19, 2008 to: Lisa Schoeck, Director of Human Resources, City of Highland, 1115 Broadway, PO Box 218, Highland, IL. 62249. E-mail: lschoeck@highlandil.gov. Fax: (618)654-4768. EOE
