MEMORANDUM
(Please post attached flier.)

DATE: April 29, 2009

TO: All Units of Local Government, Highway Commissioners, Public Works Directors, & Civic Organizations

FROM: Frank O. Miles, Administrator 
Leah Dettmers, Solid Waste Coordinator

RE: Free Spring Household Hazardous Waste Collection 2009

The Madison County Recycling Program in cooperation with the St. Clair County Health Department, IEPA, Madison County Board, Alan J. Dunstan, County Board Chairman, and all local units of government, are sponsoring the following Household Hazardous Waste Collection Day FREE to all Illinois residents (identification required):

Free Household Hazardous Waste Collection

Saturday, May 30th, 2009
8 a.m. - 3 p.m.
Belleville Township High School
4063 Frank Scott Parkway West
Belleville, IL 62223

Local Units of government are also encouraged to attend to drop-off any hazardous waste free-of-charge. To expedite large amounts of waste, please contact Leah Dettmers, Solid Waste Coordinator, at (618)-296-4666 to schedule an appointment for government-only waste.

Although Madison County will be advertising for the Household Hazardous Waste Collection Day, we ask that you please post this flier for public awareness and relate all information to any media outlet, public access channel, newsletter, or organization that you deem necessary.

Please note that this is an infrequent opportunity for all residents to properly dispose of hazardous waste and we strongly encourage any and all community participation. We will also be organizing a fall 2009 HHW event in Madison County, but extend this invitation as well. Thank you and we hope all residents utilize this important collection event. Feel free to contact our office for further questions or concerns.
