

Silver Lake Advisory Commission Minutes
April 17, 2014 Meeting

Members Present: Chair, Randy Ammann, Ron Wagner, Bill Ambuehl, Dave Frey, Sally Raeber, Dan Shimer, Mark Rosen; Director of Parks & Recreation.

Meeting was opened at 7:00PM with a motion to approve the January meeting minutes by Ron Wagner; seconded by Dave Frey.

Discussion was held on the letter to landowners that was approved by the city council. Director Rosen stated that he had received the entire list of landowners in the Silver Lake Watershed and realized that sending and/or inviting every landowner would be pointless considering that there are thousands of people in the watershed. He did however utilize maps and parcel numbers gathered from the county to identify on the watershed report from HDR/CWI key properties to focus on. Based on this information the commission members agreed that the letters should focus more on areas south of Illinois Route 140 and around the village of Grantfork. Particular names were identified as candidates worthy of being invited to the meeting in July.

Under new business the dam of Old City Lake was discussed and the urgency of getting the repairs done as soon as possible. Discussions also included the potential for another grant to continue/finish installing rip-rap around this lake's shoreline.

Motion to adjourn was made @ 7:50 by Dave Frey with Dan Shimer providing the second.
