DEPARTMENT UPDATES

- Director Rosen stated that, in his opinion, a new outdoor pool is bleak and used the example of Carlyle's situation of being three (3) times more than their original budget. He stated that this is the reason why, if a pool is built, should be considered a regional pool as a community pool would be difficult to support. Rosen updated on the Old City Lake work expected with dredging the east end and installing a new culvert. He also said that the Silver Lake Park playground is expected to start in about 2-3 weeks.
- Director Rosen also received approval for proposed new playground equipment at Glik Park and Silver Lake Park that he will be submitting to the Madison County PEP Grant in February, 2024. He also mentioned that there will be over 300 people participating in this Thursday's Gobble Hobble which is one of the bigger fields of participants.

NEW BUSINESS

- Members approved 2024 meeting dates of the third Tuesday of March, July, and November @ 7:00pm. The reason for shortening the number of meetings was that there didn't seem to be a lot of capital projects or insight needed for major decisions

Next meeting is scheduled for March 19, 2024 7:00pm, Korte Recreation Center
