Living Tree Program

The Highland Parks & Recreation Department's Living Tree Memorial Program is a unique way to honor and remember a loved one. A memorial tree is also the perfect way to commemorate one of life's milestones, from wedding and anniversaries to the birth of a child. A perpetual donation of \$200.00 allows you to place a tree of your choice selected from the list below, in an appropriate park that is special to you. The tree will be planted in October with mulch and a plaque denoting the milestone, special occasion or loved one's name.

_____ Black Gum (no gumballs)	_____ Red Maple	_____ Norway Spruce
