Signs in Right-of-Way Approval Request

Per the City of Highland's Municipal Code, signs are disallowed on public right-of-way. If you wish to display signs on right-of-way, you must request approval from the Director of Community Development.

If approval is granted, signs must not be displayed within roundabouts or within any area that is difficult for vehicles to see around and creates a traffic safety issue. All signs within the right-of-way must be removed within two days after the event.
